IMPORTANT ANNOUNCEMENTS

The Change Companies ASAM E-Modules

In a contract with The Change Companies, AODS has purchased three ASAM E-Modules to support required training for Substance Use Disorder treatment providers. There are three e-modules, *“Introduction to the ASAM Criteria,”* *“Multidimensional Assessment”* and *“From Assessment to Service Planning.”* This online training function will assist treatment staff who are providing direct clinical services to beneficiaries in the Drug Medi-Cal Organized Delivery System. As a reminder, staff who are conducting ASAM Criteria Placement Assessments and/or determining medical necessity as the LPHA for a treatment provider, must have ASAM training. Please note that staff must be a rendering service provider within the NACT to have access to the ASAM E-Modules.

Providers wishing for staff to access the ASAM E-Modules should contact:
