WHAT IS THE HMC?

The Hazardous Materials Commission (HMC) is an advisory body to the Contra Costa County Board of Supervisors on hazardous materials and hazardous waste issues. The HMC is made up of representatives from cities, labor groups, environmental groups, businesses, the League of Women Voters, and the general public.

The Commission advises the Board on new/existing policies, regulatory programs, educational programs, and legislation affecting the use, storage, transportation, and disposal of hazardous materials and waste.

STUDENT INTERN EXPECTATIONS:

- Complete 5-7 hours per month, for the duration of the 6-month internship to receive a \$675 stipend**
- Interns will research and present on a hazardous materials topic of personal or commission interest, conduct informational interviews, and attend Full Commission meetings

Note: Full Commission meetings are held virtually until further notice. If a meeting is in-person, it will be held in North Concord. Interns are also encouraged to join optional subcommittees in North Richmond and Martinez.

**Position is not an official voting member on Commission*

***If applicable, this position may be used for practicum or internship credit at participating colleges/universities.*

**PREFERENCE WILL BE GIVEN TO APPLICANTS THAT LIVE AND/OR ATTEND
SCHOOL IN CONTRA COSTA COUNTY.**
