## REQUEST FOR CHANGE OF PROVIDER FORM

If you have been unable to resolve a problem with your service provider by speaking directly to them or the supervisor of the program where you are receiving care, then you may request a change of a service provider by completing this form and giving it to the receptionist. The program supervisor will review your request and will notify you of his/her decision within ten (10) working days. For mental health, if you are a Medi-Cal beneficiary seeing an individual provider in the community who is not part of a county network of clinics, call the Behavioral Health Access Line at 1(888) 678-7277. Submitting a request does not guarantee that they will change your provider. If you disagree with the decision, you may file a formal grievance.
